

## **Wendy Lee, Secretary/Treasurer**

Wendy has been a Paralegal for a local Great Falls attorney for over 17 years. As a youth, Wendy was active in competitive swimming through a local Great Falls swim club. After a 14 year hiatus and upon reaching a mid-life crisis, she decided to get off her butt and become active again. She hooked up with some crazy friends that were runners and the rest is history. She began her road back to fitness in May 2005. Since that time, she has participated in two full marathons, dozens of ½ marathons, a ½ Ironman, several sprint triathlons, and various 10k/5k races. One of her greatest joys is being able to pass her love of fitness onto her friends.

Wendy is also Treasurer of the non-profit organization, Race Montana. Race (**R**ecreational **A**ctivities, **C**ommunity **E**vents) Montana was formed by various race directors to help promote sports and wellness activities in and around the Great Falls area. Proceeds from the Race Montana events are donated to local non-profit organizations that also promote health and wellness. Wendy has recently been named Race Director for Race Montana's "Save the Ta-Tas" 5k walk/run which is held in July.
